We are proud to be an Equal Opportunity and Affirmative Action employer, including minorities, protected Veterans, and those with disability.

CAPABILITY STATEMENT

Established in September 2019 as a 501 (c) 3 Non-Profit Corporation in Tennessee, Soaring to Success, Inc. (S2S) has been a member of the Academy of Model Aeronautics (AMA) since 2019. **All drone pilots are certified by the FAA Part 107.**

With our mission is to provide pathways out of poverty using drone technology. Our program will inspire the following skills in children that are needed in the aviation, robotics and aerospace industries.

1. Critical Thinking
2. Communication and Collaboration
3. Creativity
4. Perseverance
5. Self Confidence.

CORE COMPETENCIES

S2S provides online drone knowledge training, drone applications consulting, and drone flight training services.

We are currently using drone soccer, drone software programming, and drone simulation software to develop these skills.

ABOUT THE FOUNDER

Cedric Divine, the Chairman, is a Vietnam War-era veteran. An FAA Certified Remote Pilot since 2016, he is a Service-related Disabled Veteran Owned Small Business (SDVOSB) certified. Mr. Divine has been actively involved in the drone industry since 2010, with expertise in drone equipment, software, and extensive knowledge of various types of drones used to complete specific projects. Since 2015 he has been a Certified Farm Service Agency (FSA) Farmer. Mr. Divine has over 40 years as an electronics technician. Mr. Divine has developed online drone soccer and workforce development program specifically to train adults and children.
